

CHF Scholarship 2020

The California Homebuilding Scholarship is a great opportunity for Construction and Civil Engineering students. Up to \$5,000 will be awarded to selected SDSU students! If you have an interest in homebuilding and meet the qualifications, we hope you will apply for this scholarship. Applicant qualifications include:

- Has achieved a GPA of 2.5 or higher
- Demonstrates a need for financial assistance
- Has the intention of a forthcoming career within the California homebuilding industry

Interested students should submit the following documents:

- Scholarship Information Form: **Complete Student Information portion and sign. Do not fill in University/College Information portion.**
- Copy of transcript (unofficial transcripts will be accepted)
- Copy of scholarship request letter (no less than 300-word count)
- Current student photo at 300+ DPI –submitted electronically

All required documents, including signed information form, should be emailed to Michele Ritchie, mritchie@sdsu.edu

Deadline to apply: Monday, October 12, 2020
